### EXCLUSIVE PRE-CURVED FORM-FITTING PATTERN

That conforms to the natural shape of the hand

# Redefining Welder Protection.

**CONTACT** Your Distributor Sales Rep **TODAY!**

Miller's industrial welding gloves are designed to **endure** the **long-term, repetitive abuse** prevalent within industrial manufacturing, fabrication and construction applications.

Our unique construction and quality materials produce a **superior fit** that conforms to the natural shape of the hand, providing **comfort, dexterity and protection** unmatched by traditional welding gloves.

With gloves that offer aluminized insulation to reflect radiant heat, moisture-wicking cotton fleece lining for added comfort and fully welted seams for extended life, our gloves withstand the welder's daily demands. Increased comfort and functionality lead to employee use, **reducing hand injuries** in the workplace.

	HEAVY DUTY MIG STICK	MIG	MIG (LONG CUFF)	TIG
LARGE	#249193	#249195	#249197	#249199
X-LARGE	#249194	#249196	#249198	#249200

We're redefining welder protection with products that provide optimal fit, comfort, performance and style, resulting in safer, more productive work environments. **THAT'S THE ARC ARMOR™ DIFFERENCE.**
