

LB6002E BACKPACK BLOWER

Powered by a high-efficiency brushless motor, the EGO Power+ blowers feature jet turbine technology and large diameter tube to give maximum airflow.

High-powered brushless motor for high air volume and speed, while the flexible bellows tube and comfortable harness system make the blower both maneuverable and easy to use. Power is efficiently managed via the variable speed trigger and power setting switch. The LB6000E is also compatible with all EGO batteries.
