

COMMERCIAL RANGE LBX6000 BACKPACK BLOWER

Powered by a high-efficiency brushless motor, the EGO Power+ blowers feature jet turbine technology and large diameter tube to give maximum airflow.

Out powers petrol-powered blowers. Setting a new standard for blowers, the LBX6000 is the most powerful handheld blower on the market. Delivering more blowing time, more comfort and more power than petrol. With the ability to blow over 1079m³ of air per hour on Turbo Boost mode, the leaves and the competition don't stand a chance.
