

COMMERCIAL RANGE

BCX3800E BRUSH CUTTER

Introducing a range of commercial tools, all powered by the longest running, petrol matching, Lithium-ion, backpack battery

The tough answer to rough ground. Perfectly balanced for comfortable use, the EGO Power+ commercial line trimmer and brush cutter make short work of even the roughest ground. Power comes from EGO's commercial backpack battery and the ready-for-anything 2KW motor. All this is channeled through the light, yet amazingly strong carbon fiber shaft. Unlike alloy shafts, it won't bend and lose its shape over time, keeping vibration levels to a minimum.

SPECIFICATIONS

CUTTING WIDTH, THREE SIDED BLADE

30 cm

CUTTING WIDTH, LINE TRIMMER

38 cm

BLADE MATERIAL

Three-sided reversible steel blade

NO LOAD SPEED

6000 rpm
