

LM2122E-SP 52CM SELF-PROPELLED MOWER

Tackle any size lawn with less noise, lower running and service costs and zero emissions with the EGO Power+ mower range.

Significantly quieter than a petrol mower and with far lower service costs and zero emissions during use. Automatic Variable Speed, delivers optimal cutting speed to maximize battery run time whilst maintaining grass cutting performance. The 2-in-1 functionality lets you bag or mulch clippings while the LED headlights let you work further into the day.
