

# COMMERCIAL RANGE HTX7500E 75CM HEDGE TRIMMER

Introducing a range of commercial tools, all powered by the longest running, petrol matching, Lithium-ion, backpack battery

Designed for professionals, the commercial hedge trimmer is precision engineered to tackle the toughest hedges with ease. Powered by the petrol-matching commercial backpack battery, a single charge delivers impressive run times. While the smooth and quiet brushless motor and gearbox give you all the power you need, without the vibration, fumes and noise of a petrol engine. The high-quality EGO Power+ blades are made from laser-cut steel with diamond-ground edges which are laser-hardened to stay sharp longer than conventional blades.
