

PPCX1000

PROFESSIONAL-X TELESCOPIC KIT

PPCX1000 Professional-X telescopic pole system allows you to reach areas you struggled before. Included in the kit is the PPX1000 telescopic pole which houses the battery and dual-trigger controls, PSX2500 pruning saw attachment for cutting branches up to 200mm in diameter, and the PTX5100 hedge trimmer attachment which has a 51cm blade length and will cut branches up to 26mm in diameter.
